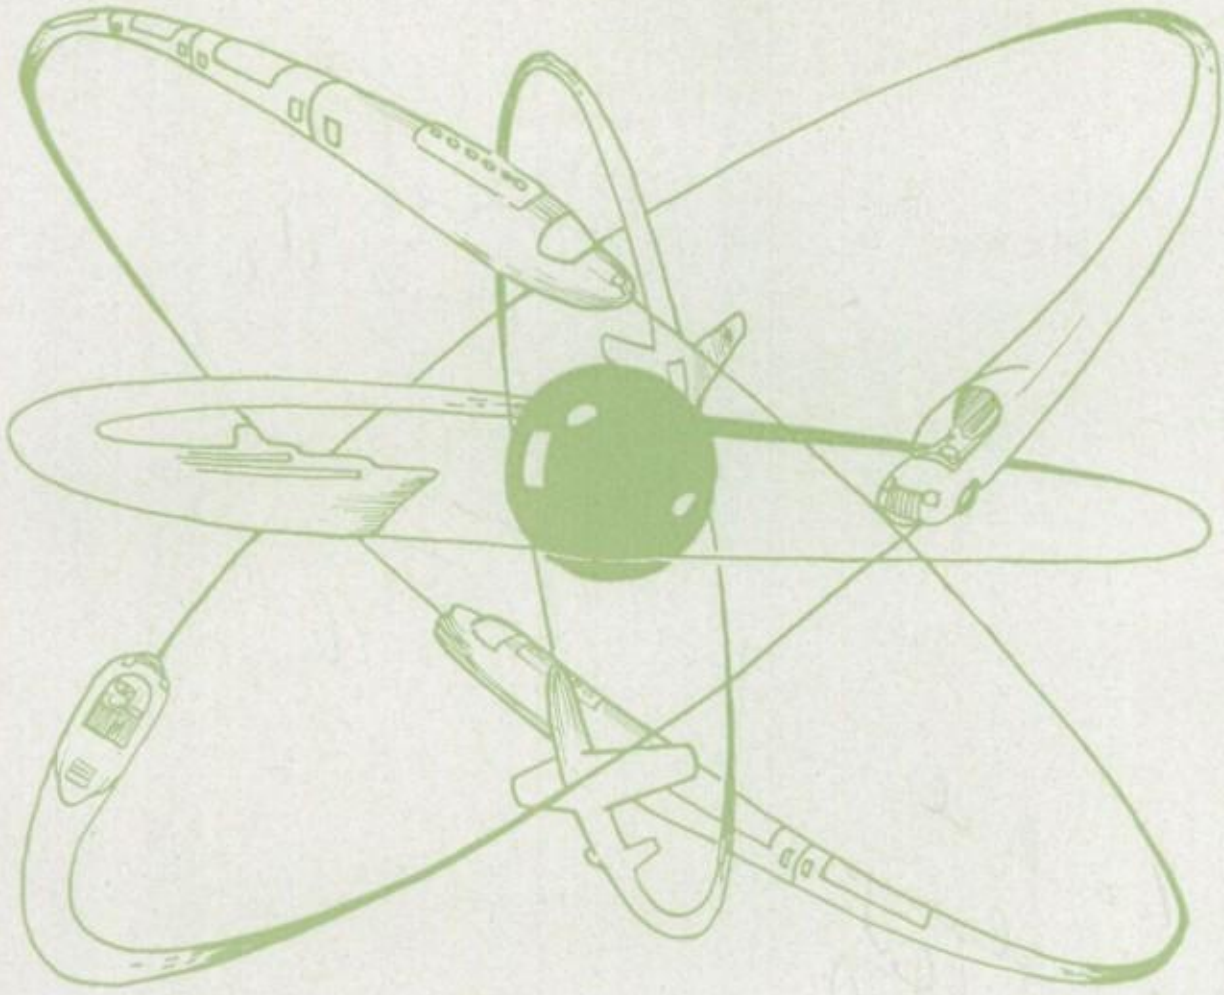
Foreword

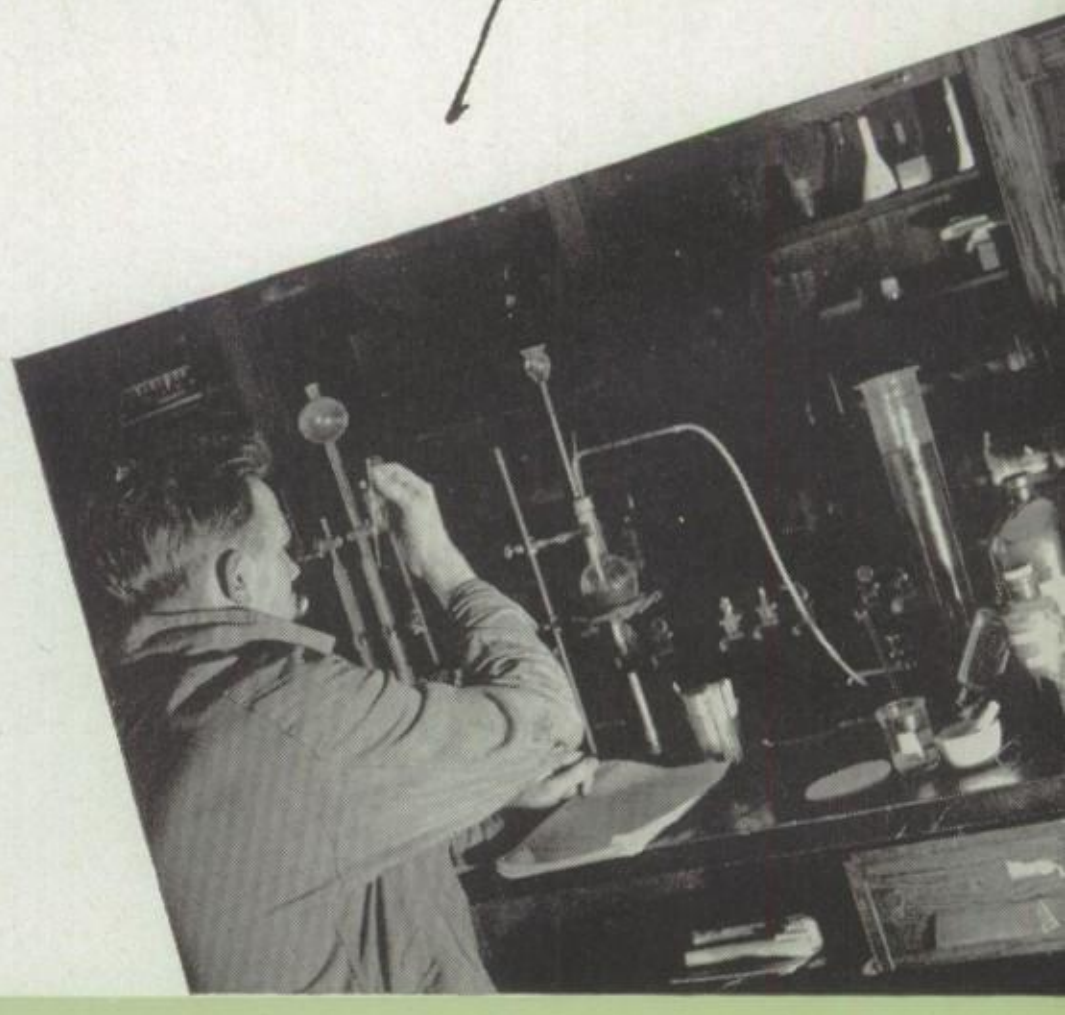
Bright words of encouragement have been offered to every graduating class down the years. Always has it been said that in their eager young hands lay the golden opportunity of making the future world the right kind of place—the kind of world in which each individual may live in peace and harmony with his fellow man, with a fair and just chance for everyone. To the graduating class of nineteen hundred and forty-six, this same message holds more meaning than ever before in world history. The young people who are going out to accept the responsibilities of the new world have training of the very best. Having lived through these past turbulent, history-filled years, they have attained a clarity of thinking, a strong courage to overcome seemingly unsurmountable obstacles, a firmness of purpose and a fair, tolerant, humane attitude which will make the great ideal of the "good neighbor" policy become a reality instead of empty, idle words. The class will have a great need of all their courage and resourcefulness to meet the opportunities and problems awaiting them in this new atomic era of peace. Holding their high ideals aloft, and with confidence and fearlessness in their hearts, they will triumphantly march forward, ready and willing to meet the challenges of the future!

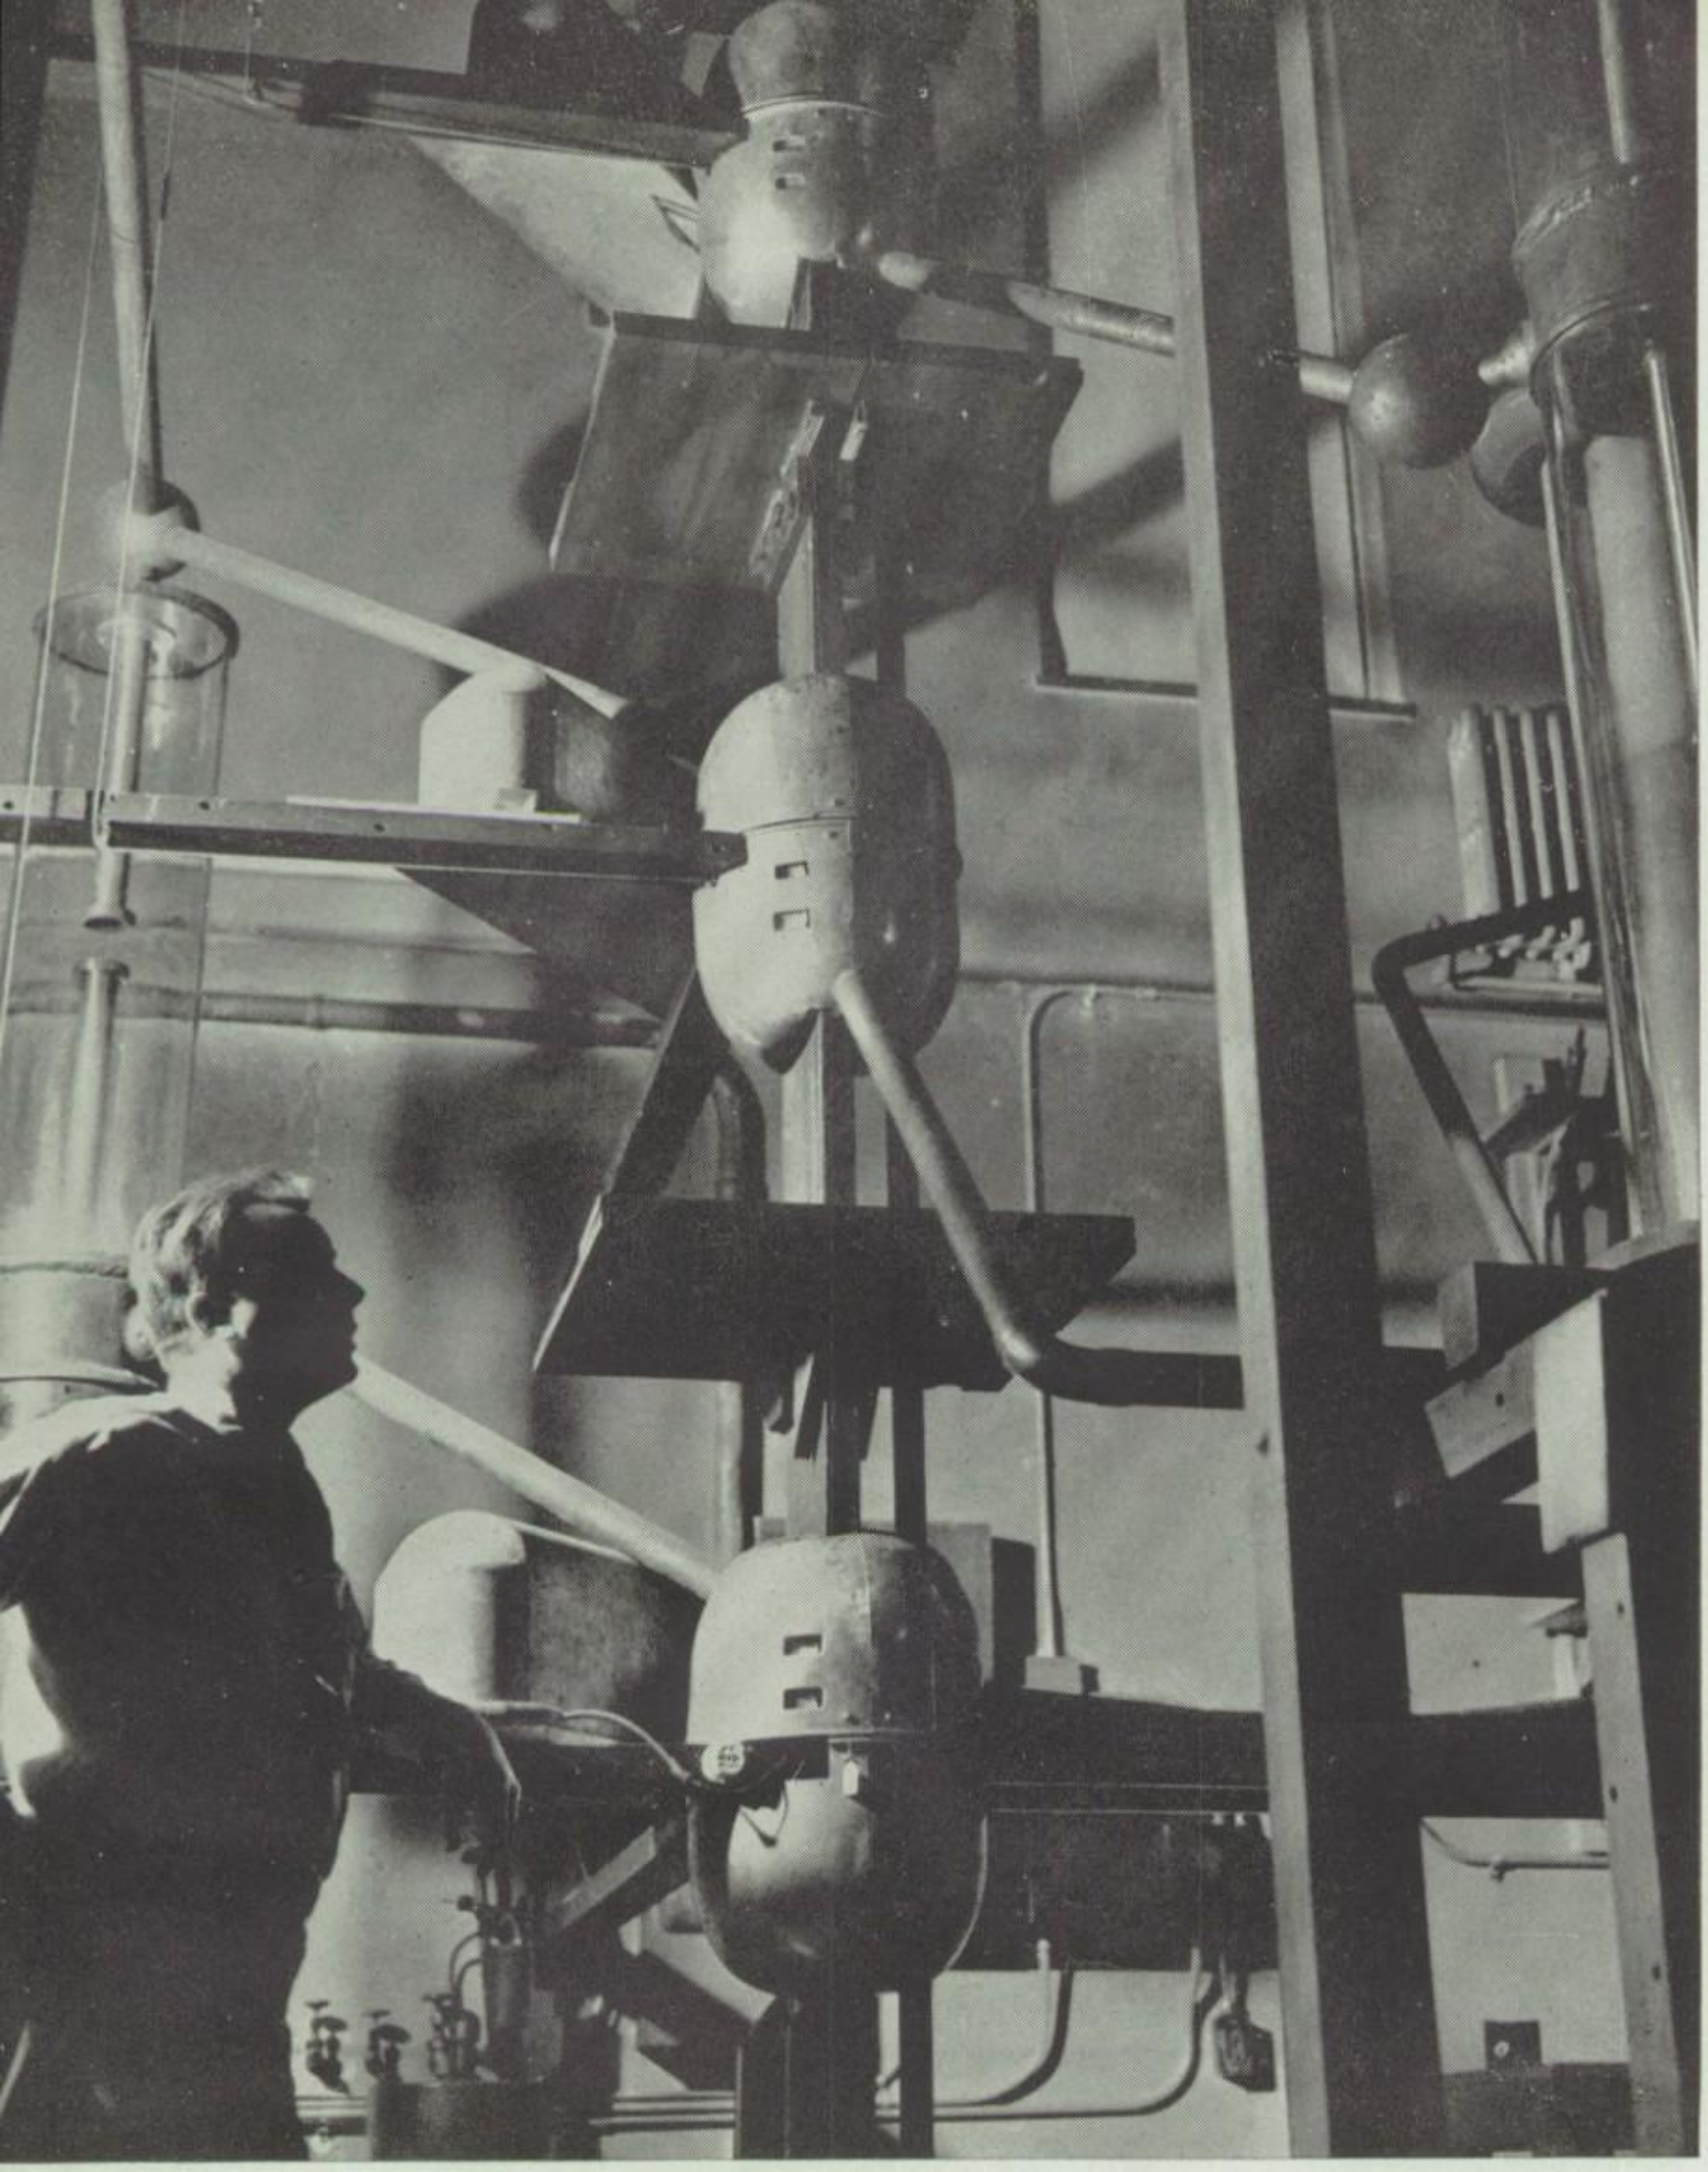
THE BOMB IS FUSED



"Years ago a modern prophet said our civilization is a race between education and catastrophe."

Harold C. Urey





80-Ton Cyclotron at the University of Chicago

Background—Professor S. K. Allison, head of Nuclear Studies on Midway and who directed work in Chicago on atom shashing

To Our Future:

We look forward to a world governed by peace. The new atomic age should not be an era of chaos and destruction, but one in which the peoples of the earth learn to unite and live as free human beings. In future years it should be the foundation for permanent peace.——It is to this spirit of lovingkindness that our book is dedicated.

To THE GRADUATES

Once more it is time for me to greet the seniors in this book, which is the voice of Calumet. I hope the words will be significant so that they will not be new to you when you re-read them years from now. They will not be cleverly new, for Gamaliel probably took leave of his disciples of old and doubtless had the same heart-wrenching that I now have. I am sure, too, that he said, "Congratulations and high hopes," as enthusiastically as I do to you.

No, there is nothing new in your situation and mine and the regard and confidence which is inherent in it. It is one of the eternal verities, and makes my final words come naturally when I look into my heart:

"Our hearts, our hopes are all with thee,
Our hearts, our hopes, our prayers,
our tears,
Our faith triumphant o'er our fears,
Are all with thee,—are all with thee!"

Glenn C. Worst

And Moments "Devoid of Ease"

EDMUND B. DALY

ASSISTANT
PRINCIPAL

Whose smiling, congenial face greets every Calite entering room 126? It's none other than Mr. Daly, assistant principal at Calumet. Since the departure of Mr. Egbert Hunter, who is now a lieutenant colonel in the educational service of the army, Mr. Daly has assumed the many responsibilities and duties of this important position. Besides these numerous activities, Mr. Daly is kept busy listening patiently to the never-ending troubles of Calumet students. He is best known for his sincere interest in every problem however minor it may be. Even the innocent frosh comes to seek the aid and advice of this very human faculty member.

OFFICE

The office, the very heart of the school with its pleasant hum of low voices and the smiling faces of clerks and student helpers, is what one encounters when entering this busy building. It is not gloomy and awe-inspiring but a place of sunshine and good cheer. Here, all of the records of the students of Calumet are kept and anyone can be located instantly by the filed program cards.

February Class

Just a moment's pause at this point, giving thoughts to those boys who, because of being called to the service of their country, were unable to take their rightful place in the ranks of graduates. To these GI's we say, "Hurry back," and to those who will never return . . . well they are still in our class.

The class of February, 1946, the first peace-time graduating class since 1941, was one of the smallest in the history of Calumet. Its small size accounted for the warm friendships and affability which characterized its four years here.

No one can ever forget those first bewildering days at Cal, or those last glorious ones before graduation.

Then, as the last strains of the recessional faded away, nostalgia and sadness swept over the graduates, for though their years here had been war years, they had been happy ones. The graduates had many memories to take with them, some joyful, others sad. But all these remembrances went to make up their high school years. The class carried honors with it, leaving the succeeding one an enviable record to uphold.

The teachers and students will not soon forget the class of February, 1946.

The All Calumet Civic League, just as the letters A.C.C.L. imply, is the one school club to which nearly everyone in the student body belongs. It is the hub of all school activities: taking charge of all of the charity drives or other drives for public improvement, many assemblies, the clean-up campaign, after-school social activities and runs elections of major importance to the students. The club has always been ready to carry through any improvements made in the school and to give financial aid when necessary.

Mr. Edmund B. Daly, this year's sponsor, is ably assisted by Bob Goebel as president of the organization, Ed Sobol, vice-president, Donna Shanahan, secretary, and Ruth Abell, treasurer. Other members of the cabinet are Cliff Leverence as Director of Activities, Jim Lindberg, Election Commissioner, and Marie Kapranos as Director of Clean-up.

CLEAN-UP
COMMITTEE

Unknown to most of the student body, the Clean-Up campaign this time was carried on during the entire year. The main objective here at Calumet was the lunchroom and due to the untiring work of the committee, a marked improvement was made. The Clean-Up campaign was climaxed by the "Spring Sweep," a super dance held at Ridge Park. The entire program is sponsored by the Chicago Association of Commerce.

To promote good scholarship and service activities is the aim of the Junior Honor Society. Any student in the school from 1A to 4B may join this organization provided that he or she is able to meet its requirements. These qualifications include an E average which must be maintained each semester. A student enters on his or her marks of the previous term and a certain number of service points. These are necessary in order to belong and remain a member. The sponsor of the Society, which boasts many members throughout Calumet, is Miss Jenny Aasen.

"Miss Thomas, will you please hand me those latest employment applications? I want to check carefully to be sure to get the right person for this job. . . . H-m-m-m, here's a young fellow who was a member of the Calumet High School Junior Honor Society. I'll make a special note of that. We need a dependable man for this position. Good steady marks throughout school and an interest in its organizations are excellent indications of the type of employee we've been looking for."

ATTENDANCE OFFICE

The attendance office, known to all Calumet students, has under its control all of the "criminals" of the school. Running similar to Scotland Yard,—only on a smaller scale,—room 140 has in its accurate files the history of every student who has strayed from the straight and narrow. Whether it be a minor absence or a major cut, those in charge have your name on their records. Since the organization of this office, the attendance at Calumet has improved considerably. The attendance office functions very smoothly under the direction of Mr. Jacob Sietsema.

These "Ham"lets of Calumet are a hard working and diligent group of students who spend many hours after school in an effort to improve their acting skill and present plays as entertainment for the student body. Under direction of Miss Lorraine Jung, this club has just been reorganized.

"Wizards of figures,"—those are the members of the Math Club who entertain themselves at a weekly meeting by solving anything and everything that has to do with mathematics. The club's aim is to develop skill for the annual Wilson tournament and because of the high requirements, membership of the group is kept to a minimum.

ORCHESTRA

Captain Morris

The orchestra, although a small organization, performs faithfully every year for graduations and for assemblies during the semester. It is made up of girls and boys, some of whom have ambitions of becoming future Heifitzes, Paderewskis, and Harry Jameses—and some of whom just enjoy the music. Graduation day is the main event for which the orchestra plays—from the pulsating strains of "Pomp and Circumstance" to the thrilling rhythm of Calumet's Victory March. It is from this group that you hear as a Calite, the beloved melodies of Calumet's school song, for the last time.

The letter system of the orchestra is quite different from that of the band. To be eligible for a school letter, one must be a member for seven semesters. The ambitious "letter-hopefuls" work extremely hard playing for all the orchestra's activities. The "C" they receive is something they will always treasure for it symbolizes great effort and support and—good times had at school. The talented and versatile leader, who guides them ably with his baton is Captain Morris.

OUR BAND

"Rain or Shine, Cal's Band's on Time!" This should be the slogan of the faithful group of students which comprise the band directed by Captain Morris. In their colorful maroon and blue uniforms, they provide entertainment during the halves of football games and various parades, as well as highlighting many assemblies and other activities of the school throughout the year. What student's pride fails to well up within him at the roll of the drums and the opening measure of the "Calumet Victory March"?

One hundred hours of service are required to obtain a band letter and fifty more for a chevron.

A CAPPELLA CHOIR

The harmonious tones of the A Cappella Choir vibrate through the corridors of Calumet many periods of the day. This mixed chorus consists of one hundred fifty boys and girls under the capable direction of Mrs. Clare Harms. They furnish the music at assemblies, P.T.A. meetings, and other occasions where their melodious works are considered essential. Besides the musical aspects of the choir, there is also the A Cappella Club, which has as an avocation a barn dance and a beach party annually.

GIRLS' CHORUS

Under the devoted leadership of Mrs. Clare Harms, the members of Girls' Chorus have attained a higher understanding of classical music and enjoy singing folk songs when in a lighter mood. They also sponsor numerous social events every year.

This semester, co-operating closely with the A Cappella Choir, these girls took part in the Christmas assembly which is a traditional event at Calumet, and their joyful caroling also resounded gayly through the halls, delighting the ears of all who heard them.

EQUESTRIAN CLUB AND GARDEN CLUB

One of the most active clubs at Calumet is the Equestrian Club. Sponsored by Mr. Elwood Smith, this organization has become an outstanding organization with an active membership that exceeds one hundred.

With their chief aim in mind, keeping the campus beautiful, the Garden Club, under the direction of Miss Ruby Fremont, sponsors the annual Rose Day sale.

CHEER LEADERS

"Yeah! Team!"

Whether it's "Wow, some boy!" or "Boom chicka boom," the cheer leaders are down in front leading the roaring crowds on as the iron men run for touchdowns and the cagers make baskets. In fair or stormy weather these peppy Calites lead the cheering spectators at the school games in an effort to keep up the team's morale. They deserve much credit for the dependability and faithfulness which they have shown.

CALUMET CRIER

When it's news, it's in the Crier. Whether it be school activities, social events, sports, or even just plain gossip, you'll be sure to see it there. Together with Mrs. Gwen Hultenschmidt, faculty advisor, the young and capable staff members each week turn out a new edition of this peppy little four-page newspaper. The preparation of the **Crier** is left almost entirely to the students who not only do their school a valuable service, but also gain much fun and the opportunity to exercise creative writing ability.

THE C.A.L. • JUNIOR CLASSICAL LEAGUE

GIRL'S SERVICE LEAGUE

This organization is a group of girls who regularly mail Criers to Calumet service men. They also, on special occasions, such as Christmas and Valentine's Day, send them cheery greeting cards. A doughnut sale under their supervision is held once each semester and at Christmas time the girls wrap packages donated by the students and present them to Cal's visiting service men. TEMULAC 1946

Miss Lillian Sattler
Advisor

Yes, it's finally here. Under the new supervision of Miss Lillian Sattler, Mr. Irwin Knehans, Mrs. Dorothy Gordon, and Mr. Royce Kinnick, the Temulac of 1946 makes its debut. In future years as you look back to these happy and unforgettable high school days, it is hoped that this book will help bring to mind recollections . . . yes, remembrances always to be cherished as you go forth from this, the most care-free stage of life.

JUNIOR RED CROSS

Amid the low hum of voices, the girls of the Junior Red Cross work steadily and turn out the many wool afghans, stuffed animals, and baskets that have been sent to our boys in service, their families, and the desolate peoples of Europe. Sponsored by Mrs. ViNette Hagstrom, this is one of the most active clubs at Calumet.

Fun for soldier's children.

Row 1: Darling, Drueger, Stelzer, Mrs. Hagstrom, Jorn, Meyer, Ott, Zollinger. Row 2: McClean, Samuels, Kachulis, Smith, Mazur, McLaughlin, Cotiguala, Shelley, Jezbera, McNeil, Scott.

STAGE HANDS

These hard-working boys have charge of the backstage functions whenever an assembly is held. Lights, curtains, microphones, chairs, and all miscellaneous jobs come under their careful supervision. It is this work for which they receive no credit that makes them the unsung heroes of Calumet.

Row 1: Curtin, Gabric, Kinglsey.
Row 2: Babcock, Egan, Lambros.

SAFETY COUNCIL

Row 1: Mulheran, Cox, Abell, Shanahan, Phillips, Thiel, Betts, Brinkley, McCarthy, Poulter, Peltzer.

Row 2: O'Neil, McClellan, Blomberg, Borchardt, Leverence, Sims, Smith, DiSimone, Binder, Sell, Hilton, Lewis, Matthews.

Row 3: Thurber, Stone, Staudacher, McCambridge, Moore, Young, Tiderman, Soldan, Wickstrom, MacDonald, Prior, Olsen, Kehoe.

The accident prevention unit here at Cal is the Safety Council. Keeping a watchful eye on all bicycles and checking cars for running motors or lights that are left burning constitute their main duties. Records of all registered vehicles enables immediate location of their owners. The club also sponsors social events throughout the year.

P. T. A.

The Calumet Parent Teacher Association plays an active and useful role in the life of the school. Under the able leadership of Mrs. George Anderson they have again completed another successful year.

The organization, which meets once a month in the school social room, has had a very busy program in addition to the regular meetings. They have found time to entertain the mothers of freshmen at a tea given each semester, as well as to sponsor the Open House, semi-annually.

The P.T.A. always stands ready and willing to give their support to any civic project when called upon by the student body and faculty.

The membership of the National Honor Society is chosen from those students who are in the upper fifteen per cent of their graduating class and who have earned, during their high school career, at least fifty service points. These service points, which range from fifty for the president of the A.C.C.L., to five for a hall guard, are given for membership and leadership in school clubs as well as for assistance rendered in the library, book rooms, office, and various other places.

Row 1: Wilmsen, Abrams, Mullin, Canny, Mrs. Roberts, Erickson, Schermerhorn, Putman, Hallberg

Row 2: Jordan, Kubat, Keenan, Kushner, Wilkinson, Wolansky,; Hopps, Magnusson, Foyer, Brownell

NATIONAL HONOR SOCIETY

Before he is entitled to wear the pin of the Honor Society, each potential member writes an essay on the very fitting motto, "Noblesse Oblige," which means that rank imposes obligation. Naturally, the hard work required before a student is elected makes membership to this organization very desirable. The hard work can be forgotten when a member considers that for the next lifetime he has this honor on his record.

Row 1: Mogensen, Rusch, Graber, Seaberg, Steinmetz
Row 2: Krummick, York, Mrs. Roberts, Rubin, Gillice, Stoner
Row 3: Bollens, Bresingham, Jorn, Gedicke, Boodell, Ferguson, Machin

The Social WHIRL

WINTERLUDE

Place—Ridge Park

Date—December 22

Orchestra—The New Yorkers

The long awaited evening had finally arrived. It was a night filled with fun and dancing for those who went to the Senior Girls Council annual winter dance, the much talked about "Winterlude." The lucky guys and gals who were all out for a gay evening will long remember dancing to the smooth and rhythmic music of the New Yorkers far into the night.

SWEATER SWIRL

Place—Ridge Park

Date—January 18

Orchestra—Squires of Swing

Big ones, argyles, and reindeers—yes, the Kiwiette "Sweater Swirl" was a complete success as one hundred and fifty couples "swung and jived" to the solid music of "The Squires of Swing."

"Sweaters, sweaters, everywhere and not a suit to be seen," but a census proved that all had a wonderful time at Cal's first big "Knit and Pearl Swirl."

EMERALD EVE

Place—Hamilton Park

Date—March 16

Orchestra—Jack Holbrook

and his "Stardusters"

"The Emerald Eve"—night of shamrocks, green carnations and fun; but best of all—night of the Senior Girls Council's annual spring dance.

In the soft and dreamy atmosphere provided by the "Stardusters," Cal guys and gals danced their way through the night into St. Pat's birthday. As the last minutes of the "Emerald Eve" ticked away, the weary "Wearers of the green" wended their way home.

SOCIAL ACTIVITIES

Calumet has many social activities which play an important part in our school program, and help to create an atmosphere of wholesome school spirit. For those who are in a gay mood there are socials and dances in 117 with cokes and music provided by the juke box. Initiations and club parties are held by various clubs which are active at Cal. The Friday night socials are always loads of fun and supply an evening of dancing and entertainment.

FAMOUS CAL TWOSOMES

Day in and day out, rain or shine, fall, winter, or spring, these glamorous gals and fortunate fellows may be seen strolling sentimentally through Cal's halls looking at each other with awesome adoration. These lively lads and lassies can be seen walking to and fro during the school day and trudging merrily out to the drug store after school for a coke. Here they are—Cal's Cute Couples!

CLEAN UP ASSEMBLY

SPRING SWEEP

May 3rd was the date—ah! the night of the "Spring Sweep." A good time was had by all dancing to the smooth strains of Del Baker and his orchestra with Ridge Park Fieldhouse as the scene of this annual dance. The "Spot-light" singers and the King and Queen with their beaming smiles were the highlights of the evening. Held at the climax of Clean-Up week it marked the end of a period of hard work on the part of the student body. It was an occasion to remember.

R.O.T.C. SKATING PARTY

Between Halves

Spinning around the thrilling curves on wooden wheels were the R.O.T.C. guys and their favorite gals. Because of shortages and great expense, the annual R.O. dinner dance was canceled and the skating party was held instead. Everyone had a wonderful time as you can see by the snapshot above. Pictured above are left to right: Kermit Sanders—Beverly Mahoney, Muriel St. John—John Christian.

PARTY ROOM *One Seventeen*

If there's a meeting, small social, luncheon, exhibit, or lecture to be given, all tracks turn toward 117, the social room. The small kitchen next door makes it especially convenient for parties. Last, and most important to the students, is that imposing piece of furniture, the juke-box.

ASSEMBLIES

The band strikes up, Calites fill the auditorium, and the stage is set for another one of Calumet's thrilling assemblies.

During the year Cal Students see everything, from mystifying magicians to awe-inspiring movies dealing with the armed forces. Whatever the gathering may be concerned with, whether it be serious or comical, Calites always enjoy themselves.

Mr. Worst gets tagge

How 'Bout a Rose Tag

ROSE DAY

Rose Day means "bedecking," whether in normal times with flowers, or in war time with tags. Every student in Calumet adorns himself with gayly-colored replicas, sold under the direction of Miss Ruby Fremont. The proceeds are used for the beautification of our famous campus.

R. O. T. C.

"On the March"

NORMAN PANZEGRAU
Lt. Colonel

CHESTER C. BREHM
Military Instructor

For the past two semesters, the Reserve Officers Training Corps has been under the capable leadership of Lt. Col. Norman Panzegrau and the military instructor, Chester C. Brehm, who has taken the place of the former instructor, Thomas J. Scully. The unit concentrates diligently on order and drill every year from September to early spring for the final test of federal inspection.

R . O . T . C .

The R.O.T.C. at Calumet is one of the ten best units in the city. Among the numerous qualities that make the fine battalion it is, are the well-trained officers and non-coms who command it. These cadets are chosen on merit of their record, dependability, and ability to command. Adding to the precision of the unit are the Corps of Guards and the Picked Platoon. The R.O.T.C. will continue its fine reputation by shaping useful citizens for a peaceful future in a democratic nation.

The Glory We've Gained

OUR CALUMET

Our Calumet stands in the dazzling light,
In her portals we learned of knowledge and might,
On her campus the lazy, placid hours went,
Our leisure cost us nought but the time we spent,
But four long years of learning,—**it** cost—
Was this in vain and the battle lost?
Are we now to go forth in the world
With the banner of truth and right unfurled—
Free from want and fear and strife
With the right to liberty and freedom of life?
Are we now compelled by force
To let her history run its course?
Or shall we now look back with sentiment's gaze
Then fondly remember our High School Days.

Graduation! The very word brings to the minds of the June '46 class pleasant memories of their four years at Calumet. Pep assemblies, Clean-up dances, variety shows, proms, and many other activities were jammed into the school day already filled with work and study.

Although peace has once again returned to most of the world, there are many boys who are still in the service helping to make this peace permanent. This year's graduating class has been noticeably diminished by the ever increasing number of students serving in the armed forces. The student body offers to them a heartfelt vote of thanks for shouldering the responsibility to keep our world the way we want it.

Remembering the great sacrifices made for the sake of humanity in the last four years, this class of June '46 pledges itself that to the best of their ability, these sacrifices will not have been made in vain.

1945 FOOTBALL 1946

JOHN BOYLE
Coach

There's the whistle, the kick, and a long run back into enemy territory! Thus went Cal's 1945 schedule. The team started the season with many of last year's squad to back it up. Winning the opener against Harper, we went on to beat Chicago Vocational, Morgan Park, Hyde Park, and Hirsch, while we bowed only to Fenger. With this sensational showing to our credit we placed second in the south section race. We think all the boys deserve a lot of praise for their "get out and fight" spirit that prevailed throughout the season.

Excitement and enthusiasm belong at football games! Yet nothing can top the crowning of the Football Queen for thrills.

This year's lucky femme was Ann Rey, vivacious cheerleader, who, with her court, reigned supreme at the height of the season.

SCHEDULE 1945

Calumet vs. Harper—September 28
Calumet vs. Fenger—October 6
Calumet vs. Chi. Vocational—October 12
Calumet vs. Hyde Park—October 27
Calumet vs. Hirsch—November 3

The 1945 season saw most of Cal's regulars returning to the squad, and or the first time they were backed by the newly organized sophomore team. The team coached by Happy Boyle, and captained by Ken Lambros, with all of the regulars including Al Perry ,Jack Purcell, George Keenan, Ed Mahn, Bob Fox, Ed Sindelar, and Carl Prieto, worked the group into one of the best organized teams in the city.

SCHEDULE 1946

Calumet vs. Hyde Park—January 8
Calumet vs. Morgan Park—January 15
Calumet vs. Bowen—January 18
Calumet vs. Parker—January 30
Calumet vs. South Shore—February 8
Calumet vs. Englewood—February 15

Cal's senior basketball squad, coached by Johnny Ivers, experienced a highly successful regular season, winning nine, including a 52-37 defeat of South Shore, traditional Indian rivals, while losing only to Hirsch. However, the Indians were eliminated in the race for the city championship as they suffered a heart-breaking loss to Tilden Tech, 43-30.

The Junior quintet had some hard luck during the year, but despite this, they finished with a record of five wins and five defeats for a .500 rating.

Sliding into Home Plate

There's the Wind-Up

"Here's the stretch, the pitch, and there's a hot grounder down to the third baseman, over to second: out, back to first: he's out, a snappy double play!—and the Indians pepper the ball around." As the Temulac goes to press, the Calumet nine is tied for first with six wins and one mere setback, the latter a 4 to 1 defeat by Fenger with whom it is tied at present. Several '45 vets coupled with promising rookies and the expert coaching of John Ivers has produced one of the finest squads ever in the annals of Calumet High. The high spot in the season was the no-hit, no-run performance by bespectacled Bob Reem over Hyde Park by a margin of eleven runs, including a pair of triples and a circuit wallop by Al Karge. Except for a few misplays and walks, Hyde Park was putty in Cal's mitts.

WRESTLING

Cal's wrestling team, coached by Mr. Richard Busch, although riddled with injuries, turned in many a commendable performance whether it counted on the credit or debit side of the scoring ledger.

The team chalked up victories over Lindblom and Bowen but bowed to Hirsch, C.V.S., Parker, and Morgan Park, the latter in a very close match.

The leading scorers of the squad and weights were: Lambros (165), Johnston (175), Karge (145), Petraglio (112), Christiano (95), and Rickert (95), while each of the rest also turned in outstanding bouts.

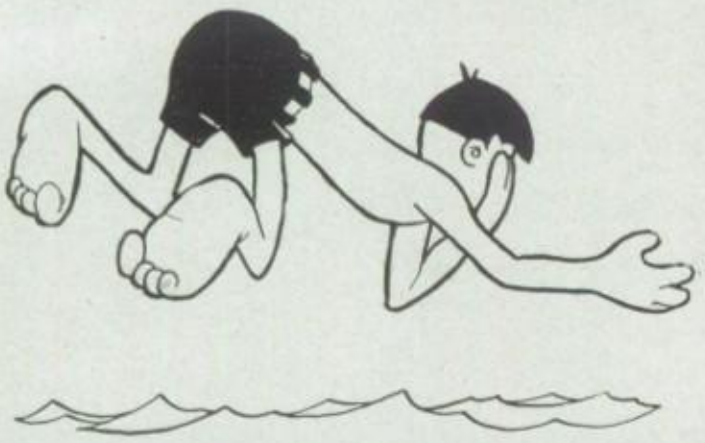
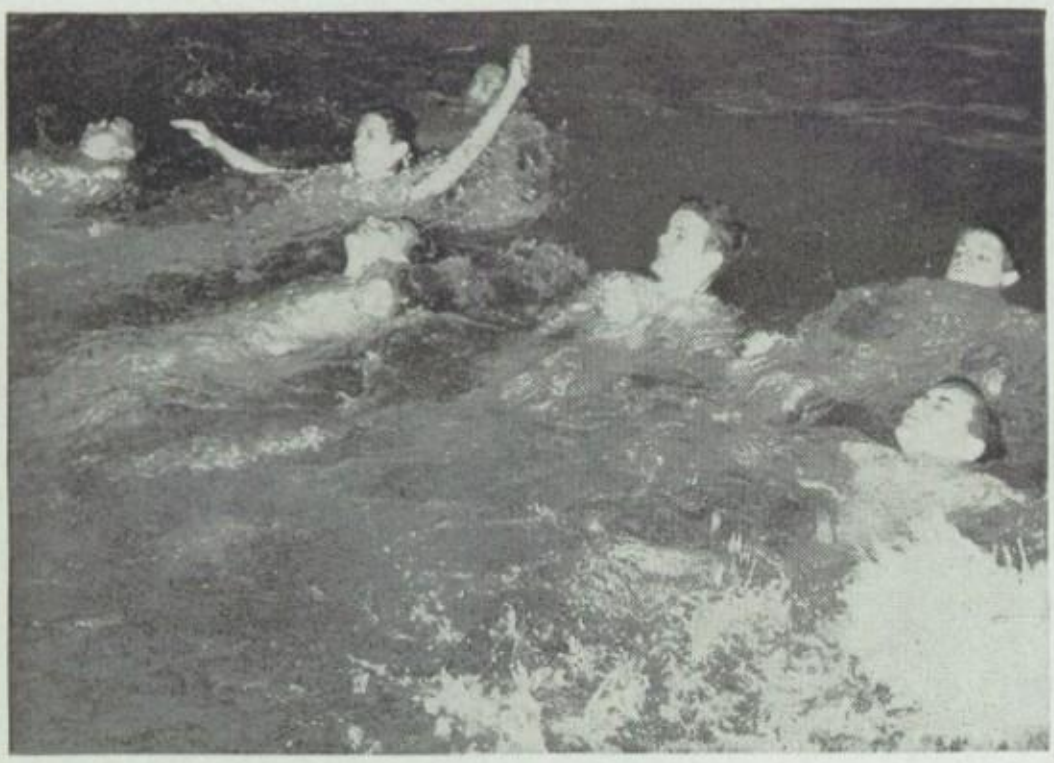
SWIMMING





Churning a Watery Path

For the first time in the last few years, Calumet fielded a swimming team. Mr. Francis Hansen, who has returned from the Navy, was the coach.

The Juniors exhibited a hard-fighting squad, but they could not match the Seniors, and lost several contests.

In the City meet Cal took fifth place in the back-stroke, the breast-stroke, and also fifth in the medley contest.

Where we really made a showing, however, was in the group of the Senior mermen. They had a highly successful season in spite of the fact that their opponents, Lindblom, Fenger, Hirsch, Morgan Park, Parker, South Shore, and Tilden were strong and experienced in themselves. When the points were finally tallied for the South Section championship, Calumet had rolled up a total of 466.5 points, while their adversaries ran a mere 400.5.

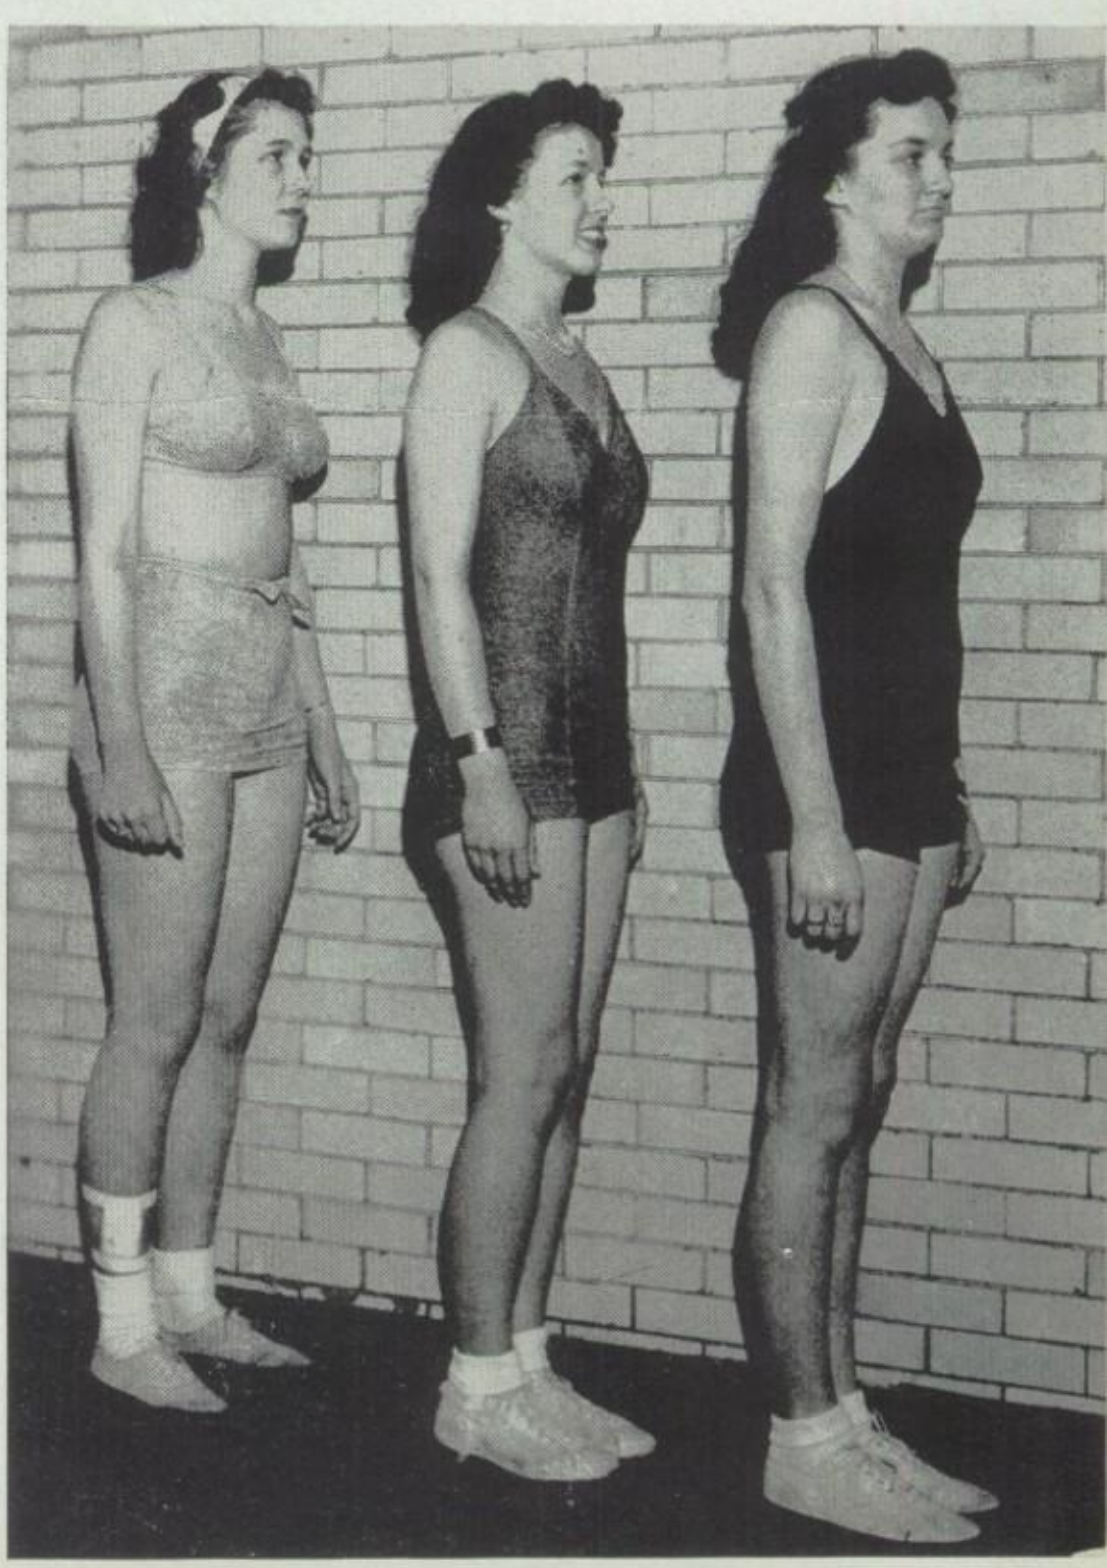
POSTURE CONTEST

Marge Selzer, Norma Seaburg, Gen Havel



At the present time there is no swimming club here at Cal, but the early part of each week finds the girls' swimming classes splashing happily in the pool. Swimming credits are earned by swimming the length of the pool and our mermaids earn points by taking advanced tests and passing them.

LEADERS

"Ask a leader," is an oft-heard expression around the girls' gym. The leaders, headed by Miss Kuglin, are called upon to "ref," rent suits, and even bandage scraped knees.

The club is composed of the best school athletes. The girls spend seven or more periods a week improving basketball and volley ball techniques, which increase their proficiency.

LUNCHROOM

It is here that the guys and gals get together for a coke, a hamburger, and a period of fun and relaxation. Here dates are made, parties planned, and food devoured—all in the short period of forty minutes.

The lunchroom is a genial and friendly place, and every worker is regarded by the students as a friend, always ready with a smile and a helpful suggestion. Mrs. Regan has, by her interest in the students and her management of the lunchroom, endeared herself to us.
